Romantic Wedding Portraiture

Silent Longing

The Ultimate Expression of Your Love

Across the centuries important and special occasions have always been captured and portrayed on canvas. Because a painting has the ability to capture the inner essence and subtle emotions that make each one of us unique, a specially commissioned portrait is the perfect wedding gift every bride and groom will cherish.

With the ability to transcend generations and immortalise a couple's love for each other, a unique painting of your bride or groom will become both a family heirloom and an intimate celebration of your love for each other in a way no photograph ever could.

A thing of beauty is a joy forever.
John Keats

Sonnet of Love

Sonnet of Love

Your Love, Your Life, Your Day.. .

Your wedding is a day like no other. It represents the culmination of your love for each other. But weddings, no matter how elaborate or special, pass swiftly, leaving behind a final swirl of confetti and a collection of memories. Sadly, even the most precious memories have a tendency to fade over the years, whereas a magnificent portrait will live forever. Hanging on your wall, it will serve as a constant symbol of your love for each other and will captivate your friends and family for generations to come.

*Nothing can diminish the value of love:
it provides us with the memories we will
treasure for the rest of our lives.*

Contemplation

Commissioning The Perfect Portrait Is Easy

Because every couple is different, it's important that your portrait reflects your unique qualities and character. On the day of your wedding, or at a time to suit your convenience, Rob and a professional photographer will meet you at the location of your choice to photograph you in your wedding attire. Because we understand that the period leading up to your wedding can be stressful and time consuming, our unobtrusive approach has been designed to take as little time as possible.

Whether you would like a painting of the bride and groom together or individual portraits, we can create an intimate and timeless portrayal that will make a wonderfully unique wedding gift for parents, family or the newly married couple themselves.

Love shows us who we really are...

Waiting

Anticipation

*Nothing can diminish the value of love:
it provides us with the memories we will
treasure for the rest of our lives.*

*Had I the heavens' embroidered cloths,
Enwrought with golden and silver light,
The blue and the dim and the dark cloths
Of night and light and the half-light,
I would spread the cloths under your feet:
But I, being poor, have only my dreams;
I have spread my dreams under your feet:
Tread softly because you tread on my dreams.*

A Glimpse Of You

Yearning For Love

Tender Secret

*She walks in beauty, like the night
Of cloudless climes and starry skies;
And all that's best of dark and bright
Meet in her aspect and her eyes:
Thus mellow'd to that tender light
Which heaven to gaudy day denies.*

From Inspirational Process To Beautifully Finished Painting

Once we have created a series of reference photographs, Rob will use these to form the basis of your painting. Simply choose the size for your portrait and Rob will do the rest. Although every painting Rob creates is individual, each one shares the same inner radiance and timeless elegance. Working predominately with oils and acrylics, Rob's work is imbued with light, colour and texture to produce works that resonate with vibrant life. Each painting generally takes 4 to 6 weeks to complete.

When your commission is ready, all you need to do is select from a beautiful range of high quality frames. Your specially commissioned portrait will then be professionally framed and delivered by courier to the address of your choice.

A romantic couple is shown in a grand, ornate hall. The woman, on the left, wears a vibrant red strapless dress and black heels. The man, on the right, wears a white dress shirt and dark trousers. They are standing close together, facing each other in a tender embrace, nearly touching. The background features dark wood paneling, two large ornate vases on a console table, and two wall sconces with warm, glowing lights. A large framed painting hangs on the wall behind them. The floor is made of polished, checkered tiles that reflect the ambient light.

*When our eyes met:
A timeless moment of true
understanding.
So beautiful, so perfect,
More intimate than our
own skin.*

Romantic Melody

A Timeless Symbol Of Your love

Brushstroke by brush stroke, Rob builds up an exquisite story of your love for each other. When our feelings are at their most powerful and poignant words can often fail us, making it difficult to express how we truly feel. Whether you choose to give your portrait as a wedding gift or keep it for a future anniversary gift, such a moving and passionate gesture will speak to your lover across the years with a message that will remain as fresh and powerful as the day it was painted.
